QUICK & EASILY ASSEMBLED AFFORDABLE MODULAR HOMES

BUILT IN 60 MINUTES WITH NO TOOLS

We are excited to provide a rapid housing solution for a time when we need it dearly. Our durable modular homes click together without tools or hardware in under an hour. This allows us to provide both short and long-term housing solutions.

**BUILD FAST
BUILT TO LAST**

EASY TO ASSEMBLE

No tools, hardware, or construction experience needed to assemble a home

RECONFIGURABLE

All panels are modular and the homes can be transformed into different configurations

AFFORDABLE

Designed for performance with the highest-quality, affordable materials

DURABLE

The homes are weatherproof, mold, rot, mildew, bug, water, and fire-resistant

LIGHTWEIGHT

Flat-packed and easy to transport, pick up the modular panels, and click them in place

PLUG AND PLAY

Each home is pre-wired for electrical and can be plugged in as soon as assembled
