Quick & Easily Assembled Affordable Storage Solutions

BUILT IN 60 MINUTES WITH NO TOOLS

Proudly catering to your storage needs with our durable modular units, set up in less than an hour, no tools needed. Offering dependable, swift storage solutions for both immediate and extended requirements.

**BUILD FAST,
BUILT TO LAST**

EASY TO ASSEMBLE

No tools, hardware, or construction experience needed to assemble a home

RECONFIGURABLE

All panels are modular and the homes can be transformed into different configurations

ADAPTABLE

Swap panels, reconfigure space, expand, modify, and adapt to changing needs

DURABLE

The homes are weatherproof, mold, rot, mildew, bug, water, and fire-resistant

LIGHTWEIGHT

Easily transport, pick up the modular panels, and click them in place

PLUG AND PLAY

Each home is pre-wired for electrical and can be plugged in as soon as assembled
