# Outdoor Living Simplified: Quick & Easily Assembled Affordable Modular Homes

**BUILT IN 60 MINUTES WITH NO TOOLS**

Proudly enhancing outdoor adventures with our robust modular homes that assemble in under an hour, no tools required. Offering campers and hunters fast, reliable shelter solutions to meet both immediate and changing needs in the wilderness.

**BUILD FAST,  
BUILT TO LAST**

## EASY TO ASSEMBLE

No tools, hardware, or construction experience needed to assemble a home

## RECONFIGURABLE

All panels are modular and the homes can be transformed into different configurations

## AFFORDABLE

Designed for performance with the highest-quality, affordable materials

## DURABLE

The homes are weatherproof, mold, rot, mildew, bug, water, and fire-resistant

## LIGHTWEIGHT

Easily transport, pick up the modular panels, and click them in place

## PLUG AND PLAY

Each home is pre-wired for electrical and can be plugged in as soon as assembled
